*"I wanted to thank you for your assistance with the Texas Society of Professional Surveyor's Symposium. Your help coordinating with the MCM Elegante Suites, Abilene Civic Center, buses and the downtown restaurants enabled TSPS and our local Chapter 18 to focus on the educational aspect of the symposium. Everyone I have talked to was really impressed with the event and Abilene."*

*"The Texas Council of Chapters of Soil and Water Conservation Society (SWCS) just completed their 2010 annual meeting in Abilene. On behalf of the council, we would like to express our sincere appreciation for your support in the past as well as your local support for the local arrangements at this meeting at the MCM Elegante. The meeting was a great success and our council would not be able to hold meetings like this without your support since we are non-profit organization. Thanks again and we look forward to your continued support in the future."*

*Thank you so much for your work and tireless effort in making the TASO-Football state meeting such a success! Having coordinated a number of these meetings in cities both big and small throughout the state, I can unequivocally say that your cooperation, assistance and hands-on participation before and during the event were far beyond the normal assistance provided by convention and visitors bureau personnel. Should there be an opportunity for one of our other sports to have a meeting in a non-metropolitan area, I will certainly encourage them to consider Abilene.*

Steve Ellinger, Executive Director  
Texas Association of Sports Officials
